Old Business:

Minutes

Commissioner Curtis moved to approve the minutes of the March 20, 2013 Redevelopment Commission meeting. Commissioner Hall-Justice seconded. Commissioner Sorensen moved to correct the spelling of right-*of*-way under Resolution RC 2013-2 on page 3. Commissioner Hall-Justice seconded. The motion to amend the minutes with the correct spelling of right-of-way passed 5-0. The minutes were approved as amended 5-0.

Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Yeager Road Phase II (north of Kalberer) and Cumberland Ave. Phase II (between Yeager and Salisbury) - Both of the contracts were substantially completed last fall. Final punch list items are being are being addressed.
- Northwestern Ave. Phase II – Bids were received by the Board of Works and a low bid recommendation and an agreement approval will be discussed later in the meeting.
- Street Resurfacing Plans – Bids are scheduled to be accepted in May. The resurfacing project includes streets in both the KCB and Levee/Village TIF Districts.

Chief Heath commented on the following:

- Fire Department Mini Pumper Vehicle –The vehicle has been completed and is ready for pick up. The truck which can fit into parking garages will be used for medical runs throughout the City. Some extrication equipment will be carried on the truck.

Other

There was no further old business.

New Business:

Review of Financial Schedules

Redevelopment Commission Treasurer Judy Rhodes explained the financial schedules. Pending requests and claims to be presented at today's meeting were listed on the report. The City's new financial management software project was discussed. The Redevelopment Commission has budgeted funds from each of the TIF Districts to cover a portion of the software expense. The new software will include financial and project management for the Commission. Proposals for the software have been received by the Board of Works and are currently under evaluation. The goal is to have the financial portion of the system installed by the spring of 2014.

Sagamore TIF Fund Reallocation – Yeager Road – Electricom LLC

Dave Buck explained the request which was for the final cost of utility relocation performed by Electricom LLC on the Yeager Road project.
